Re: Reporting of Securities Loans (File No. S7-18-21)

Dear Secretary Countryman:

I am writing in STRONG SUPPORT of rule 10c-1, "Reporting of Securities Loans".

First, I would like to express the absurdity that is an organ like the SEC "losing" comments.

Now returning to the subject of interest, it is clear that greater transparency and market supervision is ideal for a fairer market for all working people who use it.

Financial predators take advantage of this intentional opacity of the market to steal people and companies, using Dark Pools, Short Sells and more.

You know and should do something about it.

Sincerely,

A Concerned Investor
